### **FOR THE GENERAL PRIMARY 2018 ELECTION:**

February 20 Voter Registration Closes for the General Primary Election

### **GRACE PERIOD REGISTRATION/VOTING**

*February 21 through March 19*

Grace Period Registration/Voting is for those who did not register to vote or submit a change of address before the February 20 Close of Registration. During this time, you may come to the County Clerk's office and register to vote or change your address. You **MUST** vote at this time and you must present two forms of ID to register to vote; one of which must indicate your current address. You may register and vote on Election Day at your Polling Place with the proper ID. We do advise you to register before Election Day if possible, due to the potential of long lines at your Polling Place.

### **VOTE BY MAIL VOTING**

Registered voters may vote from the privacy of their home, or from their favorite vacation spot. Just mail in the application, or use the online application (<http://mcleancountyil.gov/elections>), and your ballot will be mailed to you.
