### 2017 QBS: Sec. 17-00001-05-BT

### Request for Statement of Interest (SOI)

Phase II Engineering Services for Historic Route 66 Bike Trail  
From 1.1 miles south of Shirley to Funks Grove, along Route 66

The McLean County Highway Department is in need of professional services from a qualified engineering firm(s) to provide Phase II Engineering Services.

The attached *Preliminary Scope of Services* provides anticipated items that are necessary as part of the Phase II Engineering Services.

At this time the County Anticipates starting this work in late 2017 with an anticipated letting date of January 18<sup>th</sup>, 2019.

The Statement of Interest shall be submitted **VIA EMAIL** no later than **4:00 P.M. on Thursday August 31<sup>th</sup>, 2017** and should be addressed to Jerry Stokes, P.E., County Engineer. Jerry Stokes' email address is: [jerry.stokes@mcleancountyil.gov](mailto:jerry.stokes@mcleancountyil.gov)

Statement of Interest received will be used by County engineering staff to develop a short-list of three (3) firms. The County will then submit a Request for Proposal (RFP) and schedule interviews with the short-listed firms.

The SOI shall be submitted in PDF format viewable with the latest version of Adobe reader. The County will send an email response to provide you with a receipt verifying that we received your submittal. If you do not receive this verification please contact Jerry Stokes at (309) 663-9445.

If you plan to utilize a sub-consultant for this project please note this on your Statement of Interest.

Short-listed firms will be posted on our website at [www.mcleancountyil.gov/index.aspx?nid=88](http://www.mcleancountyil.gov/index.aspx?nid=88) by **4:00 P.M. on Friday September 8<sup>th</sup>, 2017**. Click the link labeled "Request for Statement of Interest".

**A Statement of Interest (SOI) received after the above noted deadline will not be used as a part of our consultant selection process.**

### PROJECT DESCRIPTION/PRELIMINARY SCOPE OF SERVICES

#### Introduction

The following improvement has been approved for the Illinois Transportation Enhancement Program (ITEP) funding. Phase II engineering services are required for this project. This project will be completed under IDOT BLR and BDE manual, and AASHTO Guide for the Development of Bicycle Facilities (current version). Coordination with IDOT and McLean County stakeholders will be necessary.

#### Historic Route 66 Bike Trail

The improvement is shown on the attached location map. Tentative improvements at this location include a hot-mix asphalt bike path. Possible geotechnical evaluation will be required.

The Consultant will provide Phase II engineering services, which will include but are not limited to the following tasks:

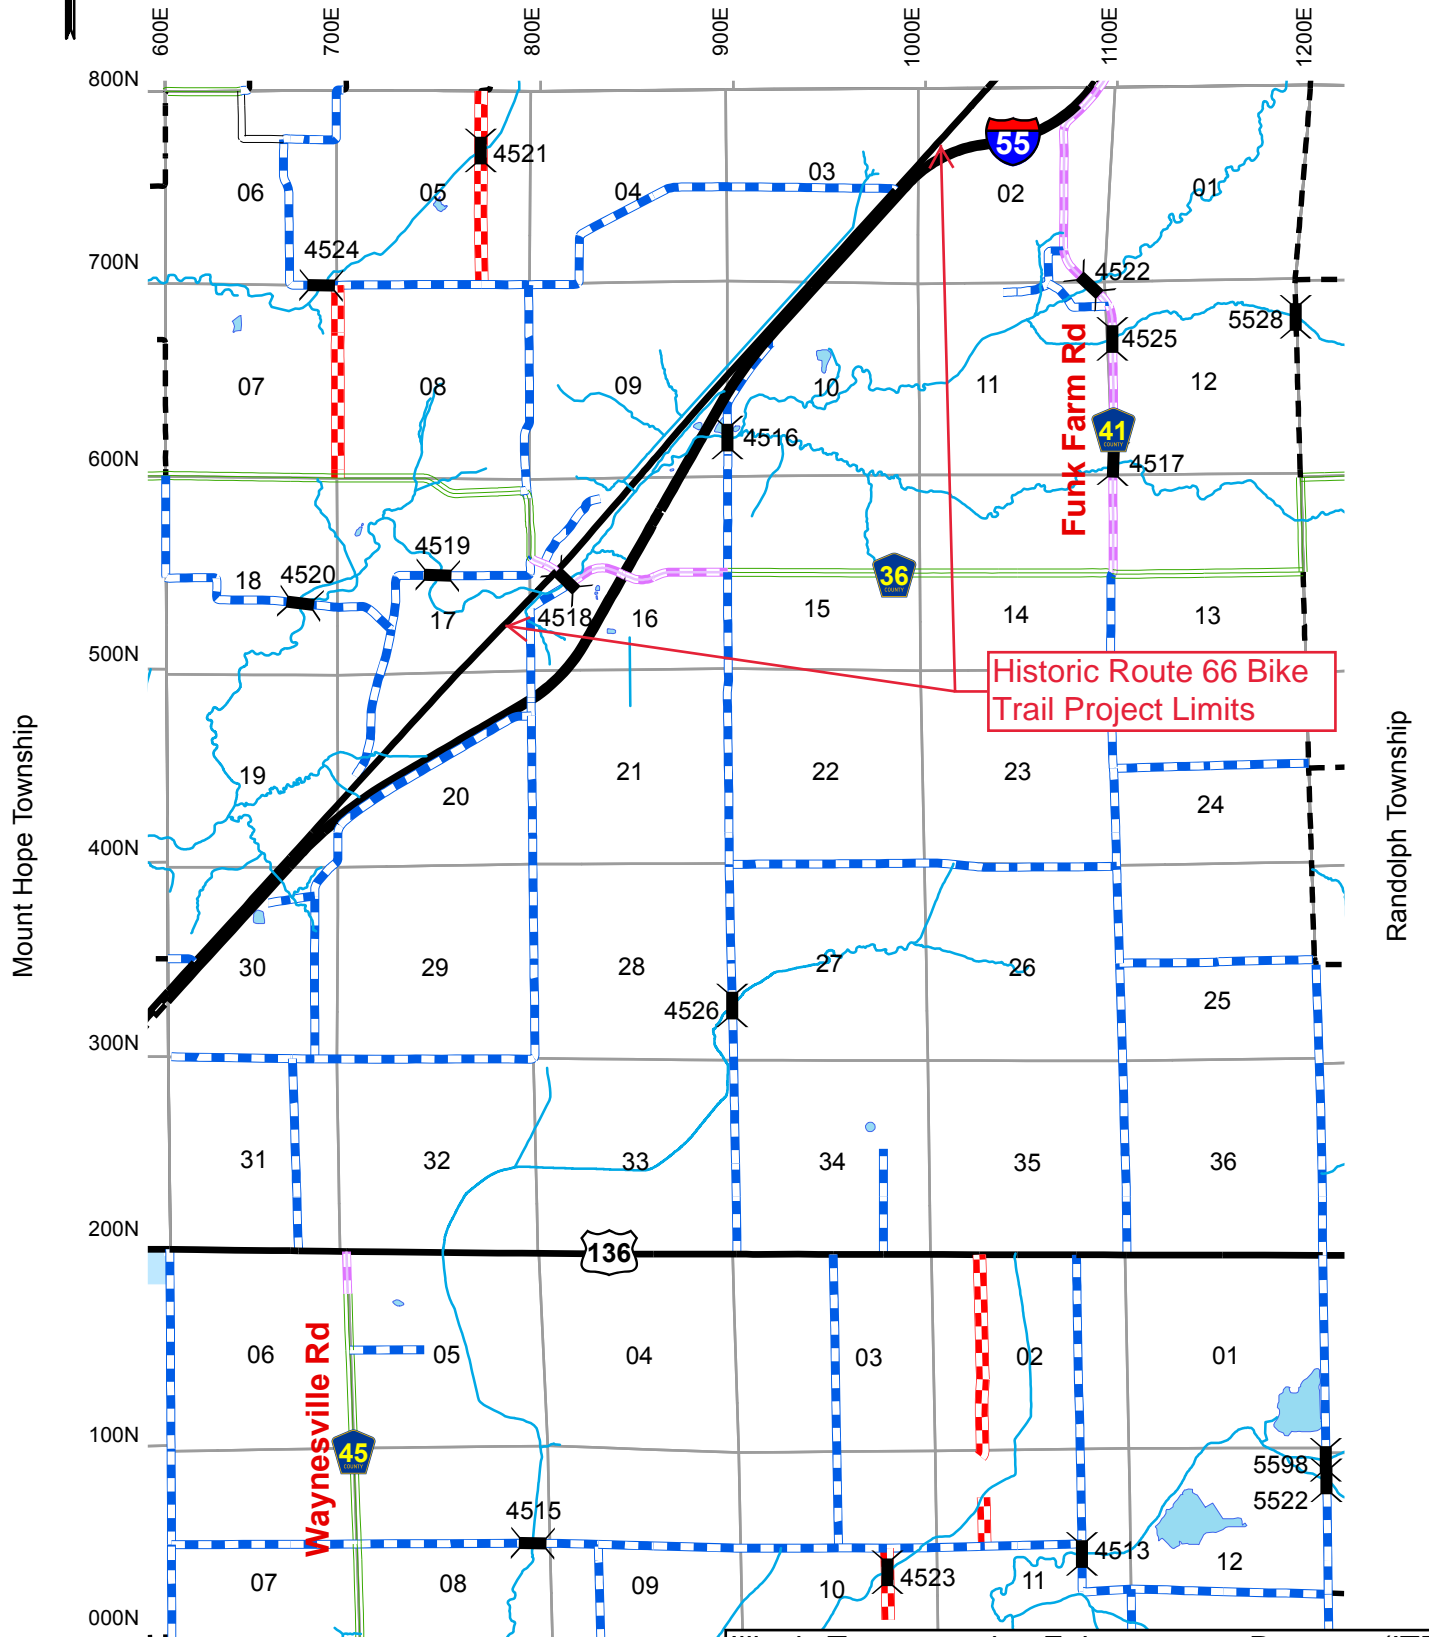

- Detailed topographic survey as necessary for planning and design of the project
- Surveys for any right of way acquisition, construction easements, and the preparation of plats and legal descriptions with staking as required.
- Preparation of detailed bike trail plans and specifications that meet the McLean County and IDOT design standards
  - Preparation of detailed plans for a pedestrian/ bicycle structure
- Drainage analysis/ design
- Environmental planning documents as necessary
  - Addendums to Phase I Environmental documents
- Preparation of engineer's estimate of construction cost
- Obtain Design Approval from IDOT
- Assistance obtaining clearances from all regulatory agencies (permits) as required by the scope of the proposed improvements
- Coordinate with McLean County, IDOT and other involved parties/agencies as necessary
