McLean Zoning Board of Appeals,

The ParkLands Foundation does not support or oppose the Invenergy McLean Wind Energy Center. ParkLands Foundation supports all of the Illinois Department of Natural Resources (IDNR) Recommendations in effect at time of vote by the Zoning Board of Appeals or McLean County Board as a condition of approval, especially including a ½ mile setback from the Mackinaw River, as well as all of Henline Creek included within the INAI designation, for any wind turbine.

A handwritten signature in black ink, appearing to read "Dan Deneen".

Dan Deneen  
-President ParkLands Foundation

Case 54-17-11

Neutral ex 7

A 501(c)(3) nonprofit, public membership, conservation land trust dedicated to acquiring, preserving, and restoring natural areas in central Illinois since 1967. Contributions are deductible to the extent allowed.
